[Top 7 Tips for Rental Success](#)

Season's Greetings!

Thank you for your trust and support of ATS, Inc. throughout this past year. As we embark upon a new year, we look forward to continued success, growth and enhancement of our customer focused services.

We've had a very exciting year! We embraced technology by making significant upgrades to our [website](#) and launched our [blog](#). We now also offer a variety of [new products](#) in an online shopping area and can also now be found on [twitter](#).

In an effort to continuously improve our services, we also wanted to make you aware that we will soon be offering:

- An option for small landlords - We are exploring options that we think will help and hope to have something in place by January.
- A Decision Tool to make objective decisions easier.
- Work with MAC users - This is an issue we take very seriously. We are working on several solutions and continue to work to make this happen.

All of these enhancements are fantastic resources for those interested in obtaining useful information. We're proud of our advancements and will continue to do our best to assist you with your tenant screening needs in 2010 and beyond.

WE WISH YOU A HAPPY HOLIDAY SEASON AND THE VERY BEST FOR THE NEW YEAR!
