A unique & far better approach to screening your applicants

"I have been with your service for years and it has done nothing but improve. You have over-time offered more types of screening, tightened security, and increased ways of access. Service has always been prompt and courteous. I may be old fashioned but, I still appreciate talking to a real person when I call."

ATS, Inc. is celebrating 20 years in business by offering you an **easier, faster, and more efficient** way to order background checks.

Many of you have been with us from the start and we appreciate your confidence in us. Through the years we have always made changes to enhance our system to make it easier and less expensive for you to screen your applicants. Some of you may have noticed the **new logo** but that is just a start.

Beginning in 2009 we will be utilizing a state-of-the-art background screening system with numerous enhancements to make background screening, as well as managing your properties, easier than ever before.

Some New Features Include:

- One-Page Order Entry Form
- A Decision Making Tool
- Electronic Signature Applications
- Pre-filled Documents such as a standard lease and denial notices, etc.

What will remain the same:

- Your Account Number remains the same.
- Credit Report Codes and Summary.
- Fax or Phone is still available (Same additional costs apply).
- Fast Reliable Customer Service.

We understand that many of you use Safari and Firefox web browsers.

"We can not express how we appreciate the competent, professional, timely, and courteous service provided by ATS, during our membership since 1995...Thanks for making our tenant application process easier."

Unfortunately due to the sensitive nature of the data we handle, these browsers may not function properly because they do not have the appropriate security settings built in. The system works best with Internet Explorer.

Preview the System in December!

Get a Sneak Peek at the System's User-Friendly Features. This will be a 10-15 minute Web-Based Introduction to the benefits and improvements that our new system has to offer. Attend the Q&A session afterwards to ask questions or make suggestions.
