Good Morning!

It is no coincidence that 2/3 of tenants move in May and September. Diane Schmidt from About.com reports that people move based on three key reasons:

1. School Calendar
2. Holiday's and Special Occasions
3. Seasonal Considerations

May is just around the corner. That means it's time for you to begin attracting reliable tenants. To help you, we are offering a screening program that is both simple and cost effective!
