Good Morning!

The new economic stimulus package is obviously a hot topic these days. For those of us not in the financial services industry, making sense of this information has been easier said than done.

Each television station and newspaper has its own spin on the legislation and the information is not always consistent.

In search of the right information, we asked Scott McPherson, CPA, CFE, CVA and Owner of [McPherson, CPA PLLC](#) to explain how the American Recovery and Reinvestment Act of 2009 affects us both professionally and personally.

We think he did a great job...take a look:
